

100%
NATURAL

• What's crucox? •

Crucox is a meat snack 100% dehydrated beef jerky, without additives or artificial preservatives, healthy and very tasty, elaborated by CECINAS PABLO, an expert company in the elaboration of cured beef meat.

• How is crucox made? •

Crucox is made with merging innovation, modernity and the best tradition of beef cured meat, selecting the best pieces of beef, in order to preserve all the natural flavor of meat and its protein of high biological value. It's salted, dried and smoked with oak or oak wood.

Its high protein value make Crucox a snack specially recommended for athletes and people who want to eat a healthy diet without giving up the pleasure of a tasty snack.

Each bag of 25 grams is equivalent to a beef fillet of 70 grams, retaining all the properties of meat. It is also a source of high biological value proteins and it contains a low content of fat, carbohydrates and calories.
